

## Digital Thermometer & Data Logger

Model	Description
<b>BT-3</b> Digital Thermometer & Hygrometer	 <p><b>Function and features:</b></p> <ul style="list-style-type: none"> <li>❖ Display Indoor and outdoor temperature simultaneously</li> <li>❖ Max./Min. temperature value memory</li> <li>❖ Max./Min. temperature value recovery function</li> <li>❖ Measuring range: Indoor temperature -30°C to +50°C / Outdoor temperature -50°C to +70°C</li> <li>❖ Dimension: H110mm x L100mm</li> </ul>
<b>TempU06 L60</b> Temperature Data Logger with Sensor	 <p><b>Function and features:</b></p> <ul style="list-style-type: none"> <li>❖ USB interface directly communicate with PC for setup and data / automatic PDF/CSV Report Generation</li> <li>❖ Temperature measuring range: -60°C to +120°C</li> <li>❖ Programmable (10s ~ 18h) [Default: 10mins]</li> <li>❖ Dimension: L115mm x 50mm x 20mm</li> <li>❖ Flight mode for air transportation</li> <li>❖ Large LCD screen with powerful indicators</li> </ul>
<b>TempU-04</b> USB Temperature Data Logger	 <p><b>Function and features:</b></p> <ul style="list-style-type: none"> <li>❖ Dimension: 89mm x 36mm x 14mm</li> <li>❖ Temperature Range: -30°C ~-60°C</li> <li>❖ Selectable sample interval: From 2 sec up to 24 hours</li> <li>❖ Capacity : 32,000 readings</li> <li>❖ Battery Type: 3.6V Lithium (Lasts approximately 1 year)</li> </ul>
<b>RC-5+ Elitech</b> Temperature Data Logger	 <p><b>Function and features:</b></p> <ul style="list-style-type: none"> <li>❖ USB interface directly communicate with PC for setup and data download</li> <li>❖ Data storage capacity 32,000 readings</li> <li>❖ Overall temperature range: -30°C to +60°C</li> <li>❖ Dimension (mm): 80 x 25 x 12</li> </ul>

## Temperature Recorder & Accessories

<b>Temperature Recorder</b>  <p><b>Function and features:</b></p> <ul style="list-style-type: none"> <li>❖ Case dimension (mm): 144 x 144</li> <li>❖ Ambient temperature: -15°C to +60°C</li> <li>❖ Highly reliable, precise and economic</li> <li>❖ Absence of mercury – not hazardous</li> <li>❖ Suitable for many uses in all industries</li> <li>❖ Power supply: One (1) alkaline battery</li> </ul>	<b>Chart Pen</b>  <b>Chart Papers</b>
